Dear Parents/Carers

The school is using a variety of mediums to communicate information regarding COVID-19. If you do not have the following apps for electronic communication, please download them so you are able to receive regular communication from the school and your child's teacher;

- Skoolbag app
- Seesaw (Kindy and Pre-primary)
- ClassDojo (Years 1 -6)

Information will also be available on the school website; <https://dardanupps.wa.edu.au/> and 'Did you get that note' through Facebook. If you need help accessing any of these forms of communication, please ask.

We are taking a proactive approach in our forward planning, in the event that learning needs to take place off-site. **At this stage, schools are not closing and remain open,** dependent on advice from the Department of Health and the Department of Education.

At this stage in our planning, we need information from our families, so that we can make an informed decision on how best to proceed with off-site learning, **if the need arises.**

To help us do this, please answer the survey questions below and return to school by Tuesday 24th March.

Thank you for your understanding and if you would like to discuss this further please come and see me.

Kind regards

Darryl Owen
